NOISELETTER

June 2020

ABOUT THE CDARC

Central Dakota Amateur Radio Club - WØZRT was established in 1971. Our purpose shall be to further the exchange of information and cooperation between members, to promote radio knowledge, fraternalism, individual radio operating efficiency, and to conduct programs and activities that advance the general interest and welfare of the United States, North Dakota, our community, and amateur radio.

THE PRESIDENT'S QTC

Hello all Members,

I have been under the weather for the past month with complications from a surgery.

On Sunday, June 7th I had a 70.9 mph wind come by my house and it damaged my tower and my 80/40 dipole. I had several friends and neighbors take the tower down and dismantle the antenna. I hope everyone else fared better than me with the high winds.

I look forward now to recovering from all of the complications and getting back on the air soon.

73,

Mike Holman, KEØESG
President, CDARC
